

# Nonlinear Propagation of Crossing Electromagnetic Waves in Vacuum due to Photon-Photon Scattering

*Sunday, 20 July 2008 09:30 (0:30)*

## Content

## Summary

**Primary author(s)** : D. TOMMASINI (University of Vigo, Dept. of Applied Physics, Ourense, Spain)

**Presenter(s)** : D. TOMMASINI (University of Vigo, Dept. of Applied Physics, Ourense, Spain)

**Session Classification** : Nonlinear Propagation of Crossing Electromagnetic Waves in Vacuum due to Photon-Photon Scattering
