

# Fundamentals of and Recent Advances in the Theory and Simulation of the Magnetised Plasma-Wall Transition

*Wednesday, 23 July 2008 09:30 (0:30)*

## Content

## Summary

**Primary author(s)** : S. KUHN (Innsbruck University, Institute For Theoretical Physics, Austria)

**Presenter(s)** : S. KUHN (Innsbruck University, Institute For Theoretical Physics, Austria)

**Session Classification** : Fundamentals of and Recent Advances in the Theory and Simulation of the Magnetised Plasma-Wall Transition
