# Workshop "Supersolid 2008" | (smr 1959)

## Thursday 21 August 2008

**Detailed torsional oscillator study on vortex fluid state and its transition into 3D supersolid state and observation of quantized vortices**  
**- Adriatico Guest House Kastler Lecture Hall (17:30-18:30)**

time	title	presenter
17:30	Detailed torsional oscillator study on vortex fluid state and its transition into 3D supersolid state and observation of quantized vortices	M. KUBOTA
