

Probing DC flow and the upper limit of nonclassical rotational inertia in solid Helium-4

Monday, 18 August 2008 15:00 (1:00)

Content

Summary

Primary author(s) : A.S.C. RITTNER (Cornell)

Presenter(s) : A.S.C. RITTNER (Cornell)

Session Classification : Probing DC flow and the upper limit of nonclassical rotational inertia in solid Helium-4
