

# **Atmospheric pressure graphitization of SiC(0001): A route towards large scale production of graphene films**

*Tuesday, 26 August 2008 16:10 (0:25)*

## **Content**

## **Summary**

**Primary author(s) :** KONSTANTIN EMTSEV (ERLANGEN)

**Presenter(s) :** KONSTANTIN EMTSEV (ERLANGEN)

**Session Classification :** Atmospheric pressure graphitization of SiC(0001): A route towards large scale production of graphene films
