

# Non adiabatic vibrations in doped graphene and graphite: measuring the doping with Raman spectroscopy

*Wednesday, 27 August 2008 12:25 (0:25)*

## Content

## Summary

**Primary author(s) :** FRANCESCO MAURI (PARIS)

**Presenter(s) :** FRANCESCO MAURI (PARIS)

**Session Classification :** Non adiabatic vibrations in doped graphene and graphite: measuring the doping with Raman spectroscopy
