

1962-34a

Joint ICTP-IAEA School of Nuclear Knowledge Management

1 - 5 September 2008

Networking for Education & Training in the UK

I. UPSHALL

Nuclear Decommissioning Authority, Curie Avenue Didcot OX11 0RH Oxfordshire U.K.

Networking for Education and Training in the UK

Session 6

Friday 5 September 2008

Ian Upshall

Nuclear Decommissioning Authority

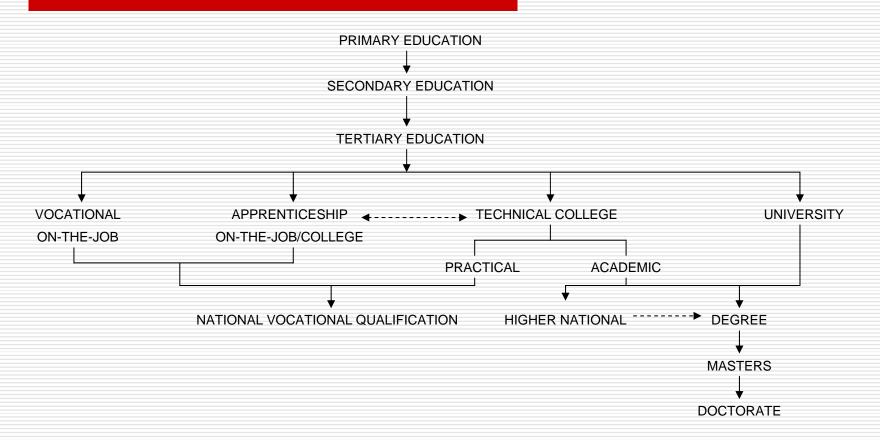

Presentation Scope

- Nuclear Industry Needs
- Academic and Vocational
- ☐ The big picture

Nuclear Industry Needs

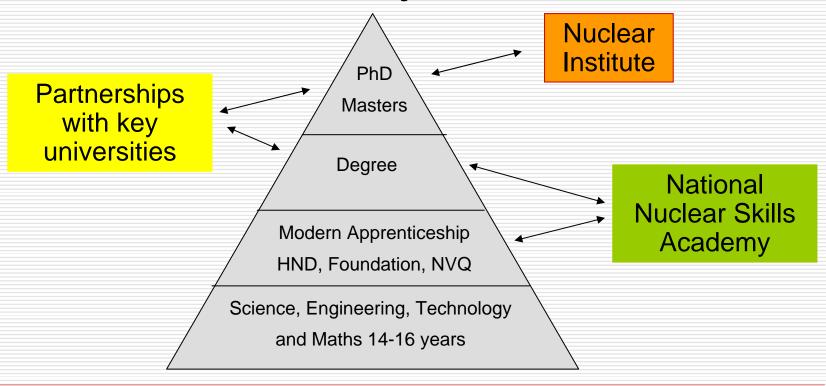

- □ Government (Department of Trade and Industry) Report 2005
 - Nuclear Skills Group
 - ≥30,000 recruits in next decade
 - ➤ Physical sciences
 - ➤ Engineering

Education and Training in UK

NDA Strategy

"We will ensure the industry has a sufficiently skilled workforce to carry out our mission"

School of Nuclear Knowledge Management Trieste, 1 - 5 September 2008

Specialist Education

- Foresight Programme
- National Skills Academy for Nuclear (NSAN)
- Dalton Nuclear Institute
 - University of Manchester
- Nuclear Technology Education Consortium
 - Universities of Birmingham, Liverpool, Leeds, City, Imperial, Lancaster
- Nuclear Graduate Training Programme

Energy Foresight Programme

- National Curriculum for science Key Stage 4 (14-16 year olds):
 - Stimulate interest in science
 - Develop thoughts around moral and ethical issues of nuclear industry
 - Encourages interest in nuclear sector as potential employer

NSAN

- National Skills Academy for Nuclear
 - Network of skills centres across UK coordinated by NSAN
 - Launched January 2008
 - Develop skills of the workforce needed to fulfil NDA mission
 - NDA contribution is The Nuclear Academy in Cumbria and Scottish Nuclear Skills Academy

Dalton Nuclear Institute

- DNI is coordinator of the Nuclear Technology Education Consortium
 - MSc in Nuclear Science & Technology
 - Nuclear EngD scheme
- Examples of NTEC modules:
 - reactor physics, fuel cycle, safety case development, criticality, policy, materials, decommissioning, thermal hydraulics

Graduate Training Programme

- □ Four secondments over two years
- 480 hours dedicated training
- 10% voluntary time
- Two dedicated mentors
- Directorial sponsor

Supported by 20 of the UK's leading companies
