

# Atmospheric teleconnections and atmospheric regime behaviour under future climate projections

*Thursday, 20 November 2008 11:10 (0:20)*

## Content

## Summary

**Primary author(s) :** D. HANDORF (Alfred-Wegener Inst. for Polar & Marine Research, Potsdam, Germany)

**Presenter(s) :** D. HANDORF (Alfred-Wegener Inst. for Polar & Marine Research, Potsdam, Germany)

**Session Classification :** Atmospheric teleconnections and atmospheric regime behaviour under future climate projections
