Lecture 17: Introduction to Innovation Network (TM) and Innovation Factory (TM) toolkits - Adriatico Guest House Kastler Lecture Hall (11:00-11:30)

Chair: Steve Taylor

Fostering the creation of high growth potential innovative companies by technology assessment and transfer: the regional network of competence centers for managing and diffusing technologies and innovation, exploring the commercial feasibility of an idea and bringing research to market. Hi-tech business incubation for innovative start-ups from academic research. Two valuable tools: Innovation Network (TM) and Innovation Factory (TM)
