SUB-SAHARAN WORKSHOP ON MATHEMATICAL ANALYSIS AND OPTIMIZATION

5 - 25 November 2007

Abakaliki, Nigeria

Venue: Department of Industrial Mathematics and Applied Statistics, Ebonyi State University, Abakaliki, Nigeria

The Department of Industrial Mathematics and Applied Statistics, Ebonyi State University, Abakaliki and the Abdus Salam International Centre for Theoretical Physics, Trieste are organizing a Sub-Saharan School and Workshop on Mathematical Analysis and Optimization from 5th November to 25th, 2007 in Abakaliki, Ebonyi State, Nigeria.

The aim of the conference is to introduce young beginning mathematicians from the sub-Saharan region to foundations of mathematical analysis and optimization and to promote collaboration between mathematicians from institutions in the sub-region.

SCIENTIFIC PROGRAM:

ADVANCED SCHOOL (5 - 19 November, 2007), will be devoted to mini-courses in Mathematical Analysis addressed to young bright B.Sc. and M.Sc. students.

9:00am - 12:30pm - Lectures

3:00pm - 5:00pm - Tutorial

WORKSHOP (20 - 25 November, 2007), will be devoted to lectures on optimization theory.

Participation:

Travel and subsistence expenses of the participants will be borne by the home institution. Limited funds are available for some participants who are nationals of the sub-region outside the host country and who are not more than 45 years old.

Deadline for requesting participation is 31st October, 2007

Applicants are requested to submit their applications on-line through the following e-mail address: uaosisiogul@yahoo.com

Further enquiries should be directed to the above e-mail address.
