

Aspects of scattering amplitudes and colider physics in conformal field theories - Lecture I

Friday, 27 March 2009 09:00 (1:00)

Content

Summary

Primary author(s) : J.M. MALDACENA (Institute for Advanced Study, Princeton, U.S.A.)

Presenter(s) : J.M. MALDACENA (Institute for Advanced Study, Princeton, U.S.A.)

Session Classification : Aspects of scattering amplitudes and colider physics in conformal field theories - Lecture I
