

Superfluid flow and critical current through single barrier and periodic potentials

Tuesday, 5 May 2009 16:30 (0:45)

Content

Summary

Primary author(s) : S. STRINGARI (BEC CNR INFM, Physics, Univ. Trento, Povo, Italy)

Presenter(s) : S. STRINGARI (BEC CNR INFM, Physics, Univ. Trento, Povo, Italy)

Session Classification : Superfluid flow and critical current through single barrier and periodic potentials
