

Tunneling spectroscopy on amorphous indium oxide: spectral signature of incoherent Cooper-pairs

Tuesday, 19 May 2009 09:30 (0:45)

Content

Summary

Primary author(s) : B. SACEPE (University of Geneva, Switzerland)

Presenter(s) : B. SACEPE (University of Geneva, Switzerland)

Session Classification : Tunneling spectroscopy on amorphous indium oxide: spectral signature of incoherent Cooper-pairs
