Conference on Superconductor-Insulator Transitions | (smr 2035)

Thursday 21 May 2009

Round Table 2:

2d superconductivity:Superconducting films, high Tc's, interfacial superconductivity - Similarities and differences - Adriatico Guest House Kastler Lecture Hall (18:00-19:30)

time	title	presenter
18:00	Round Table 2: 2d superconductivity:Superconducting films, high Tc's, interfacial superconductivity - Similarities and differences
