

# Giant Nernst Effect due to Fluctuating Cooper Pairs in Superconductors

*Friday, 22 May 2009 14:45 (0:45)*

## Content

## Summary

**Primary author(s) :** M. SKVORTSOV (L.D. Landau Inst. for Theoretical Physics, Moscow, Russian Federation)

**Presenter(s) :** M. SKVORTSOV (L.D. Landau Inst. for Theoretical Physics, Moscow, Russian Federation)

**Session Classification :** Giant Nernst Effect due to Fluctuating Cooper Pairs in Superconductors
