

International Workshop: Quantum Chromodynamics from Colliders to
Super-High Energy Cosmic Rays | (smr 2036)

Contribution ID : 7

Type : **not specified**

Ultra high energy cosmic rays and the Pierre Auger Observatory

Monday, 25 May 2009 09:30 (1:30)

Content

Summary

Primary author(s) : ESTEBAN ROULET (Comision Nacional de Energia Atomica, Argentina)

Presenter(s) : ESTEBAN ROULET (Comision Nacional de Energia Atomica, Argentina)

Session Classification : Ultra high energy cosmic rays and the Pierre Auger Observatory
