

International Workshop: Quantum Chromodynamics from Colliders to
Super-High Energy Cosmic Rays | (smr 2036)

Contribution ID : 22

Type : **not specified**

Enhanced Pomeron diagrams and hadronic diffraction

Thursday, 28 May 2009 14:00 (0:40)

Content

Summary

Primary author(s) : SERGEY OSTAPCHENKO (Norwegian University for Science & Technology, Norway)

Presenter(s) : SERGEY OSTAPCHENKO (Norwegian University for Science & Technology, Norway)

Session Classification : Enhanced Pomeron diagrams and hadronic diffraction
