

International Workshop: Quantum Chromodynamics from Colliders to
Super-High Energy Cosmic Rays | (smr 2036)

Contribution ID : 26

Type : **not specified**

Low scale gravity and non-conservation of global quantum numbers in particle physics and cosmology

Friday, 29 May 2009 09:00 (2:00)

Content

Summary

Primary author(s) : ALEXANDER DOLGOV (Universita' di Ferrara, INFN, Italy)

Presenter(s) : ALEXANDER DOLGOV (Universita' di Ferrara, INFN, Italy)

Session Classification : Low scale gravity and non-conservation of global quantum numbers in particle physics and cosmology
