Workshop: Eternal Inflation

8 - 12 June 2009
Miramare - Trieste, Italy

The Abdus Salam International Centre for Theoretical Physics (ICTP), in collaboration with the National Institute for Nuclear Physics (INFN), is organizing a workshop on "Eternal Inflation" to be held at ICTP, Trieste, Italy, from 8 to 12 June 2009.

The purpose of the workshop is to foster the discussion about all the aspects of Eternal Inflation through a small number of talks and discussion sessions.

For logistic reasons the number of participants will be limited to 80 people.

PARTICIPATION

Scientists and students from all countries that are members of the United Nations, UNESCO or IAEA may attend the workshop. As a rule, travel and subsistence expenses of the participants should be borne by the home institution. Every effort should be made by candidates to secure support for their fare (or at least half-fare). However, limited funds are available for some participants, who are nationals of, and working in, a developing country. There is no registration fee.

The application form can be accessed at the activity website:
