

# Entanglement and ergodicity or localization in quantum many-body systems at nonzero temperature.

*Monday, 6 July 2009 10:30 (1:30)*

## Content

## Summary

**Primary author(s) :** D. HUSE (Princeton)

**Presenter(s) :** D. HUSE (Princeton)

**Session Classification :** Entanglement and ergodicity or localization in quantum many-body systems at nonzero temperature.
