

# **Toward low energy anti-neutrinos directional measurement; development of Li loaded liquid scintillator**

*Tuesday, 14 July 2009 15:15 (0:45)*

## **Content**

## **Summary**

**Primary author(s) :** HIROKO WATANABE (Tohoku University, Japan)

**Presenter(s) :** HIROKO WATANABE (Tohoku University, Japan)

**Session Classification :** Toward low energy anti-neutrinos directional measurement; development of Li loaded liquid scintillator
