

Thermal Conductivity of MgO Periclase from Equilibrium First Principles Molecular Dynamics

Tuesday, 21 July 2009 17:30 (0:30)

Content

Summary

Primary author(s) : N. DE KOKER (University of Bayreuth, Germany)

Presenter(s) : N. DE KOKER (University of Bayreuth, Germany)

Session Classification : Thermal Conductivity of MgO Periclase from Equilibrium First Principles
Molecular Dynamics
