

2nd International Conference and Advanced School on Turbulent Mixing
and Beyond | (smr 2049)

Contribution ID : 82

Type : **not specified**

Shock generated vorticity in the interstellar medium and origins of the stellar initial mass function

Tuesday, 4 August 2009 10:30 (0:35)

Content

Summary

Primary author(s) : RALPH PUDRITZ (McMaster University, Department of Physics and Astronomy, Hamilton, Ontario, Canada)

Presenter(s) : RALPH PUDRITZ (McMaster University, Department of Physics and Astronomy, Hamilton, Ontario, Canada)

Session Classification : Shock generated vorticity in the interstellar medium and origins of the stellar initial mass function
