# Unstable periodic orbits for the Navier-Stokes equations

*Thursday, 6 August 2009 15:45 (0:25)*

## Content

## Summary

**Primary author(s) :**    LUIS FAZENDEIRO (Centre for Computational Science, University College of London, London, UK)

**Presenter(s) :**    LUIS FAZENDEIRO (Centre for Computational Science, University College of London, London, UK)

**Session Classification :**    Unstable periodic orbits for the Navier-Stokes equations
