

## **Specific features of Richtmyer-Meshkov instability growth with 2D and 3D initial perturbation geometry**

*Friday, 31 July 2009 14:00 (0:25)*

### **Content**

### **Summary**

**Primary author(s) :** OLEG OLKHOV (Russian Federal Nuclear Center - VNIIEF, Sarov, Russia)

**Presenter(s) :** OLEG OLKHOV (Russian Federal Nuclear Center - VNIIEF, Sarov, Russia)

**Session Classification :** Specific features of Richtmyer-Meshkov instability growth with 2D and 3D initial perturbation geometry
