

# Atomistic simulations of material dynamics and interfaces under high-rate mechanical or thermal loading

*Monday, 3 August 2009 11:55 (0:35)*

## Content

## Summary

**Primary author(s) :** SERGEY ZYBIN (California Institute of Technology, Pasadena, USA)

**Presenter(s) :** SERGEY ZYBIN (California Institute of Technology, Pasadena, USA)

**Session Classification :** Atomistic simulations of material dynamics and interfaces under high-rate mechanical or thermal loading
