

Atomistic simulations of material dynamics and interfaces under high-rate mechanical or thermal loading

Monday, 3 August 2009 11:55 (0:35)

Content

Summary

Primary author(s) : SERGEY ZYBIN (California Institute of Technology, Pasadena, USA)

Presenter(s) : SERGEY ZYBIN (California Institute of Technology, Pasadena, USA)

Session Classification : Atomistic simulations of material dynamics and interfaces under high-rate mechanical or thermal loading
