Localized and periodic waves of the generalized nonlinear Schroedinger equation by means of the Madelung's fluid method

Sunday, 23 August 2009 11:30 (0:30)

Content

Summary

Primary author(s) :   RENATO FEDELE (University of Naples (Italy))

Presenter(s) :   RENATO FEDELE (University of Naples (Italy))

Session Classification :   Localized and periodic waves of the generalized nonlinear Schroedinger equation by means of the Madelung's fluid method
