

# Nuclear quantum effects in water: a study in position and momentum space

*Monday, 26 October 2009 14:40 (0:40)*

## Content

## Summary

**Primary author(s)** : JOSEPH MORRONE (Columbia University, New York, U.S.A.)

**Presenter(s)** : JOSEPH MORRONE (Columbia University, New York, U.S.A.)

**Session Classification** : Nuclear quantum effects in water: a study in position and momentum space
