

# Broken chiral symmetry in sliding carbon nanotubes

*Monday, 19 October 2009 15:20 (0:40)*

## Content

## Summary

**Primary author(s) :** XIAOHUA ZHANG (Suzhou Institute of Nano-Tech and Nano-Bionics, Suzhou, China)

**Presenter(s) :** XIAOHUA ZHANG (Suzhou Institute of Nano-Tech and Nano-Bionics, Suzhou, China)

**Session Classification :** Broken chiral symmetry in sliding carbon nanotubes
