

Advanced Training Course on FPGA Design and VHDL for Hardware Simulation and Synthesis | (smr 2065)

Contribution ID : 5

Type : **not specified**

Introduction to Digital Design

Monday, 26 October 2009 17:00 (1:00)

Content

Summary

Primary author(s) : P. BAZARGAN-SABET (University Pierre & Marie Curie, LIP6, Paris, France)

Presenter(s) : P. BAZARGAN-SABET (University Pierre & Marie Curie, LIP6, Paris, France)

Session Classification : Introduction to Digital Design
