

# Advanced Training Course on FPGA Design and VHDL for Hardware Simulation and Synthesis | (smr 2065)

Contribution ID : 5

Type : **not specified**

## Introduction to Digital Design

*Monday, 26 October 2009 17:00 (1:00)*

### Content

### Summary

**Primary author(s)** : P. BAZARGAN-SABET (University Pierre & Marie Curie, LIP6, Paris, France)

**Presenter(s)** : P. BAZARGAN-SABET (University Pierre & Marie Curie, LIP6, Paris, France)

**Session Classification** : Introduction to Digital Design
