

**i) Radiation-induced degradation for the preparation of ion-track membranes, ii) Radiation-induced crosslinking for the formation of nanocomposites, nanogels and nanovoids**

*Monday, 24 August 2009 09:00 (1:30)*

**Content**

**Summary**

**Primary author(s) :** OLGUN GUVEN

**Presenter(s) :** OLGUN GUVEN

**Session Classification :** i) Radiation-induced degradation for the preparation of ion-track membranes,  
ii) Radiation-induced crosslinking for the formation of nanocomposites, nanogels and nanovoids
