

# Nanostructured inorganic thin films in solar energy conversion Part I: Vacuum deposited selective absorber coatings

*Wednesday, 17 February 2010 15:30 (1:00)*

## Content

## Summary

**Primary author(s) :** A. SCHULER (Ecole Polytechnique Federale De Lausanne, Switzerland)

**Presenter(s) :** A. SCHULER (Ecole Polytechnique Federale De Lausanne, Switzerland)

**Session Classification :** Nanostructured inorganic thin films in solar energy conversion Part I: Vacuum deposited selective absorber coatings
