

# Towards holographic duality for condensed matter - Lecture VI

*Thursday, 25 March 2010 10:15 (1:00)*

## Content

## Summary

**Primary author(s)** : J.A. MCGREEVY (MIT (Massachusetts Institute of Technology), Cambridge, USA)

**Presenter(s)** : J.A. MCGREEVY (MIT (Massachusetts Institute of Technology), Cambridge, USA)

**Session Classification** : Towards holographic duality for condensed matter - Lecture VI
