

Joint ICTP-IAEA Advanced Workshop on Multi-Scale Modelling for  
Characterization and Basic Understanding of Radiation Damage  
Mechanisms in Materials | (smr 2137)

Contribution ID : 8

Type : **not specified**

## The multiscale modeling approach applied to radiation damage: from atoms to dislocations

*Tuesday, 13 April 2010 09:00 (1:00)*

### Content

### Summary

**Primary author(s) :** L. MALERBA (Nuclear Research Centre of Belgium, Mol, Belgium)

**Presenter(s) :** L. MALERBA (Nuclear Research Centre of Belgium, Mol, Belgium)

**Session Classification :** The multiscale modeling approach applied to radiation damage: from atoms to dislocations
