

Joint ICTP-IAEA Advanced Workshop on Multi-Scale Modelling for
Characterization and Basic Understanding of Radiation Damage
Mechanisms in Materials | (smr 2137)

Contribution ID : 9

Type : **not specified**

Modelling of Materials under high pressure, and metallic foams

Tuesday, 13 April 2010 10:00 (1:00)

Content

Summary

Primary author(s) : J.M. PERLADO (Universidad Politecnica de Madrid, Spain)

Presenter(s) : J.M. PERLADO (Universidad Politecnica de Madrid, Spain)

Session Classification : Modelling of Materials under high pressure, and metallic foams
