

Joint ICTP-IAEA Advanced Workshop on Multi-Scale Modelling for  
Characterization and Basic Understanding of Radiation Damage  
Mechanisms in Materials | (smr 2137)

Contribution ID : 16

Type : **not specified**

## Radiation damage in FeCr alloys

*Wednesday, 14 April 2010 11:30 (1:00)*

### Content

### Summary

**Primary author(s)** : L. MALERBA (Nuclear Research Centre of Belgium, Mol, Belgium)

**Presenter(s)** : L. MALERBA (Nuclear Research Centre of Belgium, Mol, Belgium)

**Session Classification** : Radiation damage in FeCr alloys
