

Joint ICTP-IAEA Advanced Workshop on Multi-Scale Modelling for
Characterization and Basic Understanding of Radiation Damage
Mechanisms in Materials | (smr 2137)

Contribution ID : 17

Type : **not specified**

Modeling end experimental validation in the Fe-Cr system

Wednesday, 14 April 2010 14:00 (1:00)

Content

Summary

Primary author(s) : M. SAMARAS (Paul Scherrer Institut, Villigen, Switzerland)

Presenter(s) : M. SAMARAS (Paul Scherrer Institut, Villigen, Switzerland)

Session Classification : Modeling end experimental validation in the Fe-Cr system
