

Joint ICTP-IAEA Advanced Workshop on Multi-Scale Modelling for
Characterization and Basic Understanding of Radiation Damage
Mechanisms in Materials | (smr 2137)

Contribution ID : 23

Type : not specified

MD simulation of primary damage formation and phase transformations in zirconium

Thursday, 15 April 2010 11:30 (1:00)

Content

Summary

Primary author(s) : N. LAZAREV (Akhiezer Institute for Theoretical Physics, Kharkov, Ukraine)

Presenter(s) : N. LAZAREV (Akhiezer Institute for Theoretical Physics, Kharkov, Ukraine)

Session Classification : MD simulation of primary damage formation and phase transformations in zirconium
