

Joint ICTP-IAEA Advanced Workshop on Multi-Scale Modelling for  
Characterization and Basic Understanding of Radiation Damage  
Mechanisms in Materials | (smr 2137)

Contribution ID : 27

Type : **not specified**

## **Atomistic simulations of irradiation – single crystal and nanocrystal**

*Friday, 16 April 2010 11:30 (0:45)*

### **Content**

### **Summary**

**Primary author(s) :** M. SAMARAS (Paul Scherrer Institut, Villigen, Switzerland)

**Presenter(s) :** M. SAMARAS (Paul Scherrer Institut, Villigen, Switzerland)

**Session Classification :** Atomistic simulations of irradiation – single crystal and nanocrystal
