

Joint ICTP-IAEA Advanced Workshop on Multi-Scale Modelling for
Characterization and Basic Understanding of Radiation Damage
Mechanisms in Materials | (smr 2137)

Contribution ID : 32

Type : **not specified**

Radiation damage of biomolecular systems

Monday, 19 April 2010 10:00 (1:00)

Content

Summary

Primary author(s) : J.J. KOHANOFF (The Queen's University of Belfast, United Kingdom)

Presenter(s) : J.J. KOHANOFF (The Queen's University of Belfast, United Kingdom)

Session Classification : Radiation damage of biomolecular systems
