

Joint ICTP-IAEA Advanced Workshop on Multi-Scale Modelling for
Characterization and Basic Understanding of Radiation Damage
Mechanisms in Materials | (smr 2137)

Contribution ID : 38

Type : not specified

Modeling positron response from computer generated samples of materials

Tuesday, 20 April 2010 10:00 (1:00)

Content

Summary

Primary author(s) : J. KURIPLACH (Charles University, Prague, Czech Republic)

Presenter(s) : J. KURIPLACH (Charles University, Prague, Czech Republic)

Session Classification : Modeling positron response from computer generated samples of materials
