

Joint ICTP-IAEA Advanced Workshop on Multi-Scale Modelling for
Characterization and Basic Understanding of Radiation Damage
Mechanisms in Materials | (smr 2137)

Contribution ID : 46

Type : **not specified**

Modeling of radiation effects in vanadium

Wednesday, 21 April 2010 15:00 (1:00)

Content

Summary

Primary author(s) : A. RYAZANOV (Russian Research Centre “Kurchatov Institute”, Moscow, Russian Federation)

Presenter(s) : A. RYAZANOV (Russian Research Centre “Kurchatov Institute”, Moscow, Russian Federation)

Session Classification : Modeling of radiation effects in vanadium
