Characterization and Basic Understanding of Radiation Damage  
Mechanisms in Materials | (smr 2137)

Contribution ID : 55

Type : not specified

## Multiscale modeling of thermal fatigue damage in austenitic steels

*Friday, 23 April 2010 09:00 (1:00)*

### Content

### Summary

**Primary author(s) :** C. ROBERTSON (CEA, Centre de Cadarache, Saint Paul lez Durance, France)

**Presenter(s) :** C. ROBERTSON (CEA, Centre de Cadarache, Saint Paul lez Durance, France)

**Session Classification :** Multiscale modeling of thermal fatigue damage in austenitic steels
