

Joint ICTP-IAEA Advanced Workshop on Multi-Scale Modelling for
Characterization and Basic Understanding of Radiation Damage
Mechanisms in Materials | (smr 2137)

Contribution ID : 56

Type : not specified

Dislocation dynamics simulations of post-irradiation plastic deformation in austenitic stainless steels

Friday, 23 April 2010 10:00 (1:00)

Content

Summary

Primary author(s) : C. ROBERTSON (CEA, Centre de Cadarache, Saint Paul lez Durance, France)

Presenter(s) : C. ROBERTSON (CEA, Centre de Cadarache, Saint Paul lez Durance, France)

Session Classification : Dislocation dynamics simulations of post-irradiation plastic deformation in austenitic stainless steels
