Workshop on Quantum Statistical Mechanics, Computation and Information | (smr 2143)

Tuesday 15 June 2010

Some classical results for hard optimization problems relevant for quantum information research

- Adriatico Guest House Kastler Lecture Hall (14:30-15:20)

| time | title | presenter |
|-------|---|--------------|
| 14:30 | Some classical results for hard optimization problems relevant for quantum information research | L. ZDEBOROVA |
