

Quantum Corrections to the Conductivity of Disordered Fermi Systems Interacting by Gauge Fields

Tuesday, 18 May 2010 10:50 (0:50)

Content

Summary

Primary author(s) : PETER WÖLFLE (Karlsruhe Institute of Technology, Germany)

Presenter(s) : PETER WÖLFLE (Karlsruhe Institute of Technology, Germany)

Session Classification : Quantum Corrections to the Conductivity of Disordered Fermi Systems
Interacting by Gauge Fields
