

# Topological Insulators: Disorder, Interaction and Quantum Criticality of Dirac Fermions

*Monday, 17 May 2010 10:50 (0:50)*

## Content

## Summary

**Primary author(s)** : ALEXANDER MIRLIN (Karlsruhe Institute of Technology, Germany)

**Presenter(s)** : ALEXANDER MIRLIN (Karlsruhe Institute of Technology, Germany)

**Session Classification** : Topological Insulators: Disorder, Interaction and Quantum Criticality of Dirac Fermions
