A computationally efficient approach to the computation of TDDFT spectra in complex systems

Tuesday, 25 May 2010 14:00 (1:00)

Content

Summary

Primary author(s) :   R. GEBAUER (ICTP, Trieste and Democritos, Trieste, Italy)

Presenter(s) :   R. GEBAUER (ICTP, Trieste and Democritos, Trieste, Italy)

Session Classification :   A computationally efficient approach to the computation of TDDFT spectra in complex systems
